Black Friday sales will takeover stores worldwide

timberland mens sandals sale on November 29th, which is the day after Thanksgiving. Sales will continue over the

weekend, known as Cyber Weekend, and through to Monday 2nd December, which is known as Cyber Monday. Timberland is the

perfect place to shop for those needing extra warmth with their clothes, outerwear and footwear, as well as workwear

attire. Here are the best items to invest in when Black Friday sales hit Timberland:

Boots - Timberland is most widely known for their

timberland mens sandals uk signature ankle boots, which are waterproof and highly durable. Whether you snap up a

pair of their iconic sand boot for yourself and your little ones, or are looking for a heeled boot for a trendy option

there is guaranteed to be something to suit your needs. However, those who would prefer a boat shoe, or sandal will

also be in for a treat this November.

Coats - The winter months have us searching

timberland womens shoes sale for our thickest and warmest jacket to brace the elements, and Timberlands designs

will not disappoint, which is why they are a must have to have on your Wishlist when the sales hit. Whether you are

looking for a waterproof, windbreaker, leather bomber, gilet or parka jacket for men, women or children, you won't want

to miss out on their deals.

Workwear - Timberland has developed timberland womens

shoes uk a Pro clothing collection, which includes anti-fatigue and waterproof designs that can withstand harsh

conditions as well as manual work that add extra durability and sturdiness to footwear and other workwear items,

although they are available on the US site.
