"Cactus Plant Flea Market and Nike are getting together once again to give us more colorways of the Nike Air Max 97. One of them is this triple white rendition that we see above. This Cactus Plant Flea Market x Nike Air Force 1 Low Triple White does a white leather construction all over the upper with the Air Uptempo-inspired "SUNSHINE"; lettering overlays wrapping around the side panels which are also 3M. Tonal Swooshes underneath the lettering, Nike branding on the tongues and heels, and colorful thermal insoles wrap things up.

We're only a couple of weeks away from the beginning of the fall season and this new colorway of the Nike Air Max 97 falls in line (no pun intended) with the upcoming season. Doused in a wheat/flax hue all over the upper, this 97 takes on mesh and leather construction throughout with contrasting white on the laces, inner liner, pull tabs, heel, and midsoles. A full-length Air Max unit and wheat detailing on the rubber outsole finish off the look on this Nike Air Max 97 that will be releasing in the near future.

The Nike Homme 2020 Collection will include three different colorways of the model. The Kasina x Nike Dunk Low comes in three color options of Sail/University Gold-Industrial Blue, Sail/White-Neptune Green-Industrial Blue, and Pearl White/University Gold-Melon Tint. Each pair features white tumbled leather uppers with colorful suede overlays, mini Swooshes on the toe, unique branding on the tongues, Sail midsoles, and either rubber or translucent outsoles.

The Adidas online shopping will soon be releasing in a new colorway that lines up perfectly with the upcoming fall season. The low top retro model from the Swoosh gets dominated by a versatile Sail upper with mesh placed on the toe and nylon on the side panels. For slight contrast we see grey suede overlays on the toe, eyestay, and heel. A defining orange hue covers the leather Swooshes and heel tab as well as the inner liner.

If you love gold kicks then you'll be delighted with this new eye-catching colorway of the Adidas Outlet Paris. Demanding your attention, this Nike Air Max Plus gets doused in a shiny gold hue all over the mesh constructed upper. The signature wavy plastic overlays, leather mudguard, and the plastic toe have all been done in gold as well with contrasting red on the Swooshes on the side panels and the Nike branding on the tongue. Black detailing on the inner liner, eyelets, and rubber outsole along with a white midsole finish off the design.
